

Dear Friends,

I wanted to take a minute and personally thank you for your compassion and sacrifice on behalf of our food closet ministry. The devastation and disappointment of the fire was erased by the love and concern of all of those who have rallied together to ensure that this ministry continues and that none of our families has to go without. Your contribution is most appreciated and timely.

All of us here at the church are overwhelmed by the kindness and unity of the community. You have been a great source of encouragement. I am convinced that some of the greatest people in the world live right here in Monroe County. You are the best!

Please know that all of your donations and contributions are being put to use in the restoration of the food pantry and the restocking of the foods needed to help the families from our community that are in need. I give you my personal assurance that your contributions are being used wisely by the "Community Care" staff and their Director, Roger Prewitt and his wife Shelly. I would also like to give you a personal invitation to visit us here at the Church and see how your contribution is being used. We have set aside the third Wednesday of each month from 10:00 a.m. till noon to distribute the food and other items to our needy families.

Our Church family will forever be indebted to you and with the help of God we will continue to be a place of help and refuge for this community. I tell our people constantly that the measure of success is not in your receiving power but in your giving power. We are privileged to be servants to this community and it's great to see how the community comes together in times of crisis. Let me say it again, "I am overwhelmed by your love and compassion." You are the best.

Together WE Can,

Pastor Richard Massingill
